Your Wedding Planner

weddingmoon

Many leading tour operators offer comprehensive wedding packages and will be able to assist you in every aspect of your wedding arrangements. The huge advantage of going on a weddingmoon is that you can hand over all the planning to someone else. Make sure you establish the required residency period prior to the ceremony – usually it is between 3-5 working days.

top tips

- ❤ Discuss your requirements with your travel agent/ consultant and make sure you know exactly what is included in your wedding package and any additional costs involved. Ask for confirmation and package details in writing.
- ❤ Some countries require you to have your certificates legalised. This can be done through the foreign and commonwealth office.
- ❤ Your wedding co-ordinator will be able to tell you of any additional requirements. These may include obtaining a letter from a notary public member proving your single status.
